

COMSATS Institute of Information Technology Islamabad Campus

Date: 14 December, 2016

Subject: Final Year Project Exhibition for Electrical Engineering Students

The department of electrical engineering (EE) is planning to organize a final year project exhibition of electrical engineering on **17-18 January, 2017** in the EE department, to provide an opportunity to our graduates to showcase their projects to faculty members, alumni, current and prospective students and to professionals working in the local industry. On the first day of the event, the exhibition will be open to CIIT faculty members, students and alumni and to the representatives of the local companies and industry. On the second day, we will welcome young students from local schools and colleges with an aim to develop their interest in science and engineering

A tentative **schedule of the event** is given below:

Day 1 (17 January 2017)	
Students setting up their projects at their designated stalls	10:00-12:00 hrs
Opening by Incharge campus	14:30 hrs
Project Exhibition: CIIT Faculty and students visit the stalls	15:00-17:00 hrs
Day 2 (18 January 2017)	
Arrival of guests: students from local schools and representatives from companies	10:00 hrs
Project Exhibition: Representatives of local industry and students from schools and colleges visit the stalls	10:00-12:30 hrs
Lunch and prayer break	12:30-13:30 hrs
Project Exhibition	13:30-15:30 hrs
Closing Ceremony: Prize distribution and concluding remarks from the Honorable Rector CIIT.	15:30-17:00 hrs
