1st National Symposium on General Chemistry: A Platform from Academia to Industry

Date: July 17, 2019
Venue: Seminar Hall (basement), Junaid Zaidi Library

Patron In Chief
Prof. Dr. Raheel Qamar (T. I)
Rector

Patron
Prof. Dr. Arshad Saleem Bhatti
Dean of Sciences

Chair
Prof. Dr. Rafaqat Hussain
Head, Deptt. of Chemistry

Symposium Secretary
Dr. Muhammad Waseem
Assistant Professor
Islamabad, the name of beauty

Islamabad is the capital of Pakistan that takes the honors for being one of the most charming, amazing and well planned cities of the world. The scenic beauty, clean environment and breathtaking natural wonders make this city an incredible and exciting place to visit.

COMSATS University Islamabad (CUI)

CUI besides its principal campus at Islamabad has six fully functional campuses in other cities. The University is equipped with more than 50 research laboratories and 74 IT enabled, air conditioned and well-furnished lecture theaters. It is the leading University of the country. As per Times Higher Education report, it has been ranked 301-400 in Engineering and Technology for the year 2018. On National level, CUI was ranked 1\textsuperscript{st} in 2016-17, and 2\textsuperscript{nd} in 2017-18.

Department of Chemistry

The Department of Chemistry at Islamabad was established in July 2018. The newly formed Department is equipped with three research laboratories, while the Islamabad campus has an array of leading scientific equipment. The main objective of the Department is to train the new generation through research based education to solve the problems of tomorrow. The Department has number of foreign qualified faculty members conducting cutting edge research in different domain/fields of chemistry.
