9. Accommodation for International Students

CIIT accommodation will be given to applicants international students. It will provide an opportunity once-in-a-lifetime to interact, live and study with students from many different backgrounds and many of whom will become friends for life. CIIT at all campuses shall offer a quieter living and studying environment.

10. Orientation and induction program

The orientation and induction program is to help international students adjust to new life at the COMSATS Institute of Information Technology, Pakistan. One week Program has been designed to welcome and introduce new International students to the CIIT. It will be organized for one week before the official start date of classes. There will be social events where students will have the opportunity to make new friends, meet CIIT faculty & staff. It is also essential for all new international students to attend international induction week, as they will need to register with the CIIT medical center and with the police (if required). It is also the best time to open a
bank account because representatives from banks will be on hand to provide assistance and advice.

11. Registration

Before the start of the academic year, there are a number of introductory events being designed to give more information about studying and student life at CIIT Pakistan.

A number of these events will take place during the year in academic departments and will provide a better chance to find out more about:

- What is expected of you as a student
- How to register with the CIIT,
- Payment of fees
- How to select your classes for study
- More information about the classes
- Assignments and study for the coming year

12. International Student Support Program

- CIIT Pakistan shall welcome, guide and support for undertaking your studies in Pakistani education system.
- The OISA shall continue to help and support you during your time with us and shall also provide assistance for visa and immigrations requisites and also invite you to attend and participate in a wide range of social and cultural events.
- Attending such cultural events is also an opportunity to share your experiences, expending social network and make friendships with fellow multi-cultural students of different countries.
